Deb said that Sarah Dunham had asked for some example questions. I provided the following a few minutes ago:

## Ex. 5 - Deliberative Process

I've already heard from the GHGRP-W folks (Adam Eisele) who was forwarded those questions from Sarah to give their okay. I chatted with Adam quite a bit to describe what we were up to and why. He'd like a copy of the webinar we delivered 12/14 and the entire Word doc with all questions to all operators – **is that okay with you** all that I send those two docs to Adam?

Hi Martin and Carl – As I told you earlier today, Suzanne left me a voicemail requesting a hot topic on the Uinta Basin EI for Deb to use in her weekly update to the Administrator, as well as for her Monday call. It is due to Suzanne/Deb by COB, Thursday. I have drafted a summary below (based on Cindy B's email) for your review. Please let me know if you have any edits, and if one of you should send it upstairs. Thanks.
